Spirit of '83

Dear Stewart, (alias "Uncle Stewie")

What can I say? You are such a special friend. You're sensitive, kind, and so very caring — such qualities are hard to find for not many people are so willing as you to share them so freely and openly. So easy to talk to, you've always been there for me. You are so very, very honest - it's wonderful!!

Stewart,

I still have to give you a tennis lesson don't I. When I do, I'm going to run you and shape you up so you can beat your dad by the summer.

It's been great having you in Am Lit.

See you next year

Tom McPherson

Stewart
It was very fun in speech with you, especially the commercials. Just think- after the 10th no more worrying or anything works I hope everything works out with your show and I hope you have a terrific summer and senior year.
See ya next year
Friends always,
Maria

Stewart
Dogonit it's been a pleasure making your acquaintance in speech class I really must admit that you have what it takes to make it big in the world. Someday you are going to write a smash hit or something. You're calm and cool, two qualities not often found in SJHS high school students. Best wishes in your senior year and future.
Stay cool,
John Loftin

Stewart Talpit

Stu-baby
Hang in there,
you're alright. I mean, if you
are going to make me a star you are
going to have to learn to control
your nerves a little. Hey, I know I'm
moody, but bear with me (cuz I'm
probably the best actress you'll ever work
with. Cha ha, that's Cabi speaking).
you on the set!
See you always,
Love Jen

Hi Stuart!
Its been so great this year!
You always brighten up my day!
I had fun at the prom-
you dance divinely!
Love always,
Leslie

Ex-poet,

I am sick and tired of this "Dallas" business and with you trying to be a J.R. Ewing about it. This business about you wanting to be called "I.D." is totally ridiculous!!! Come Back To Reality!!!

Life at Best is a gift
Life at worst is a test —

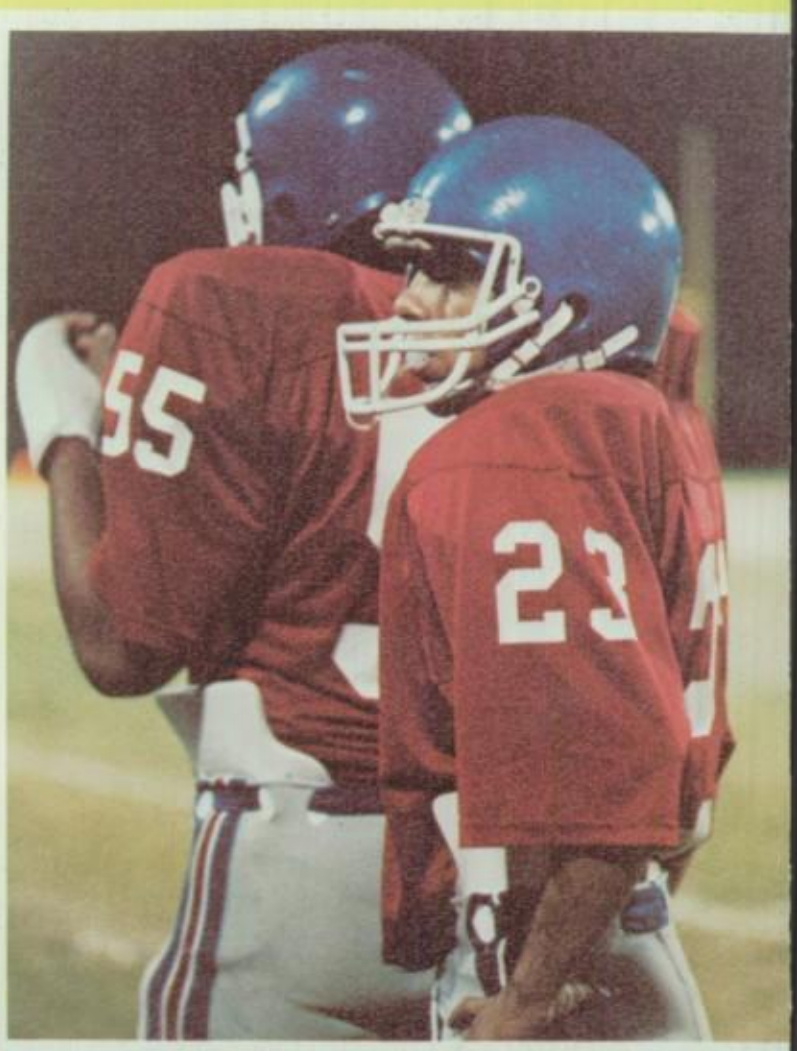
We have drempt our silent dreams

Our belief in others and ourselfs
The gift of faith and willing souls
This love will guide our lives
While we reach for transparent goals



Together we seem indelible
We now must face an unknown road
Reflections are captured here in a glance

HOMECOMING '82

S.J.M. stadium was very alive as students, alumni, and parents gathered to celebrate the annual Homecoming on October 8. Between the J.V. and Varsity games the Homecoming candidates became the main attraction and the stands buzzed with excitement and anticipation. Miss Andrea Comporato was crowned as the 1982 Homecoming Queen. The Queen and her court paraded around the field following the parade of floats made by the classes and clubs.

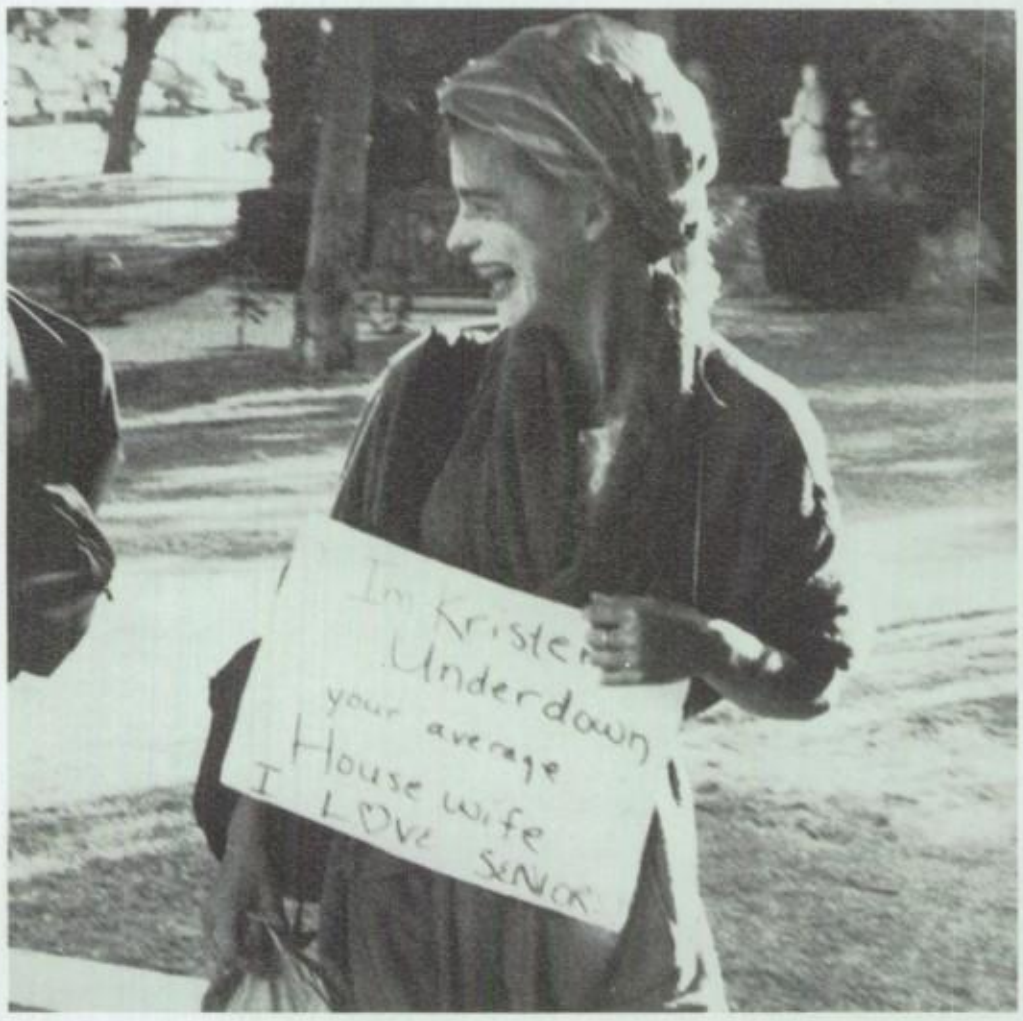
Freshmen Welcome Week



The Seniors really outdid themselves during Freshmen Initiation Week. They showed their school spirit and used their imagination to welcome the Freshmen class of '86 and to show that the class of '83 is the best there will ever be! Tuesday started it all off with the Seniors getting to know their little brother or sister. Wednesday was "sign day" followed by "hat day" on Thursday. Friday ended Welcome Week with "dress up day" with a lot of laughs and good times.

Memories

A tradition that has not lost vitality is the Junior Class Ring Ceremony. On October 28, the class of 1984 received their class rings at St. Therese. Fr. Pat McCormick was the celebrant of the mass, and the rings were distributed by Br. Donald and Sister Scholastica. Under the theme of memories, the Juniors strengthened their unity and had a very special evening.

Jr. Ring Ceremony/83

Senior Retreat

The St. Helena retreat staff kept all active participants busy, from prayer, to trust walks, to volleyball games. Students also had free time to indulge in their favortie activity, whether it be ping-pong, basketball, or a quiet walk in the meadow. Night prayer, ending each day, gave students a chance to reflect on new experiences and relationships. Senior retreat proved not only to be an exciting activity, free from the worries of school, but a learning experience and a growth of personality, unity, and friendship among Seniors.

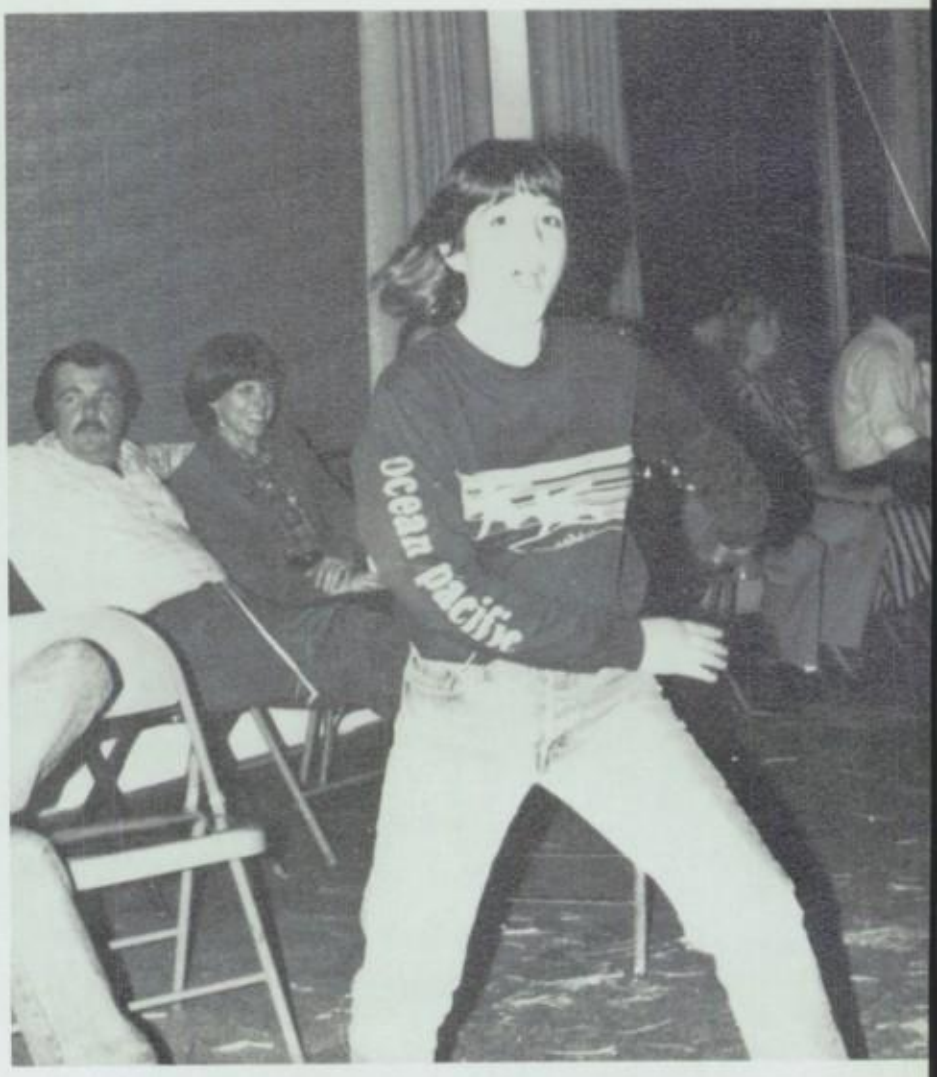
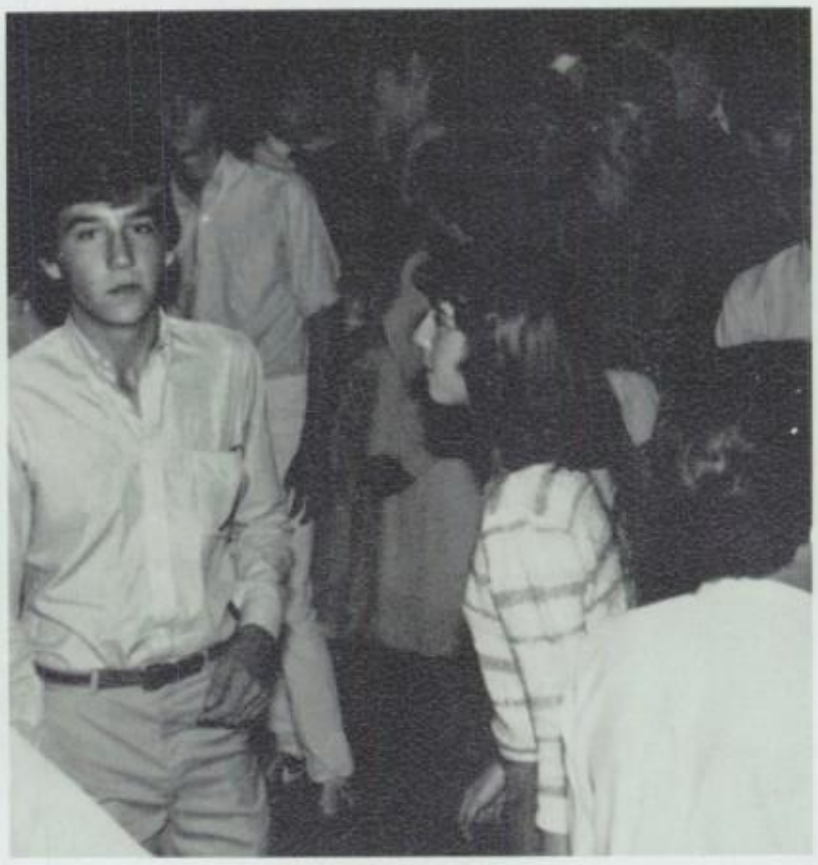
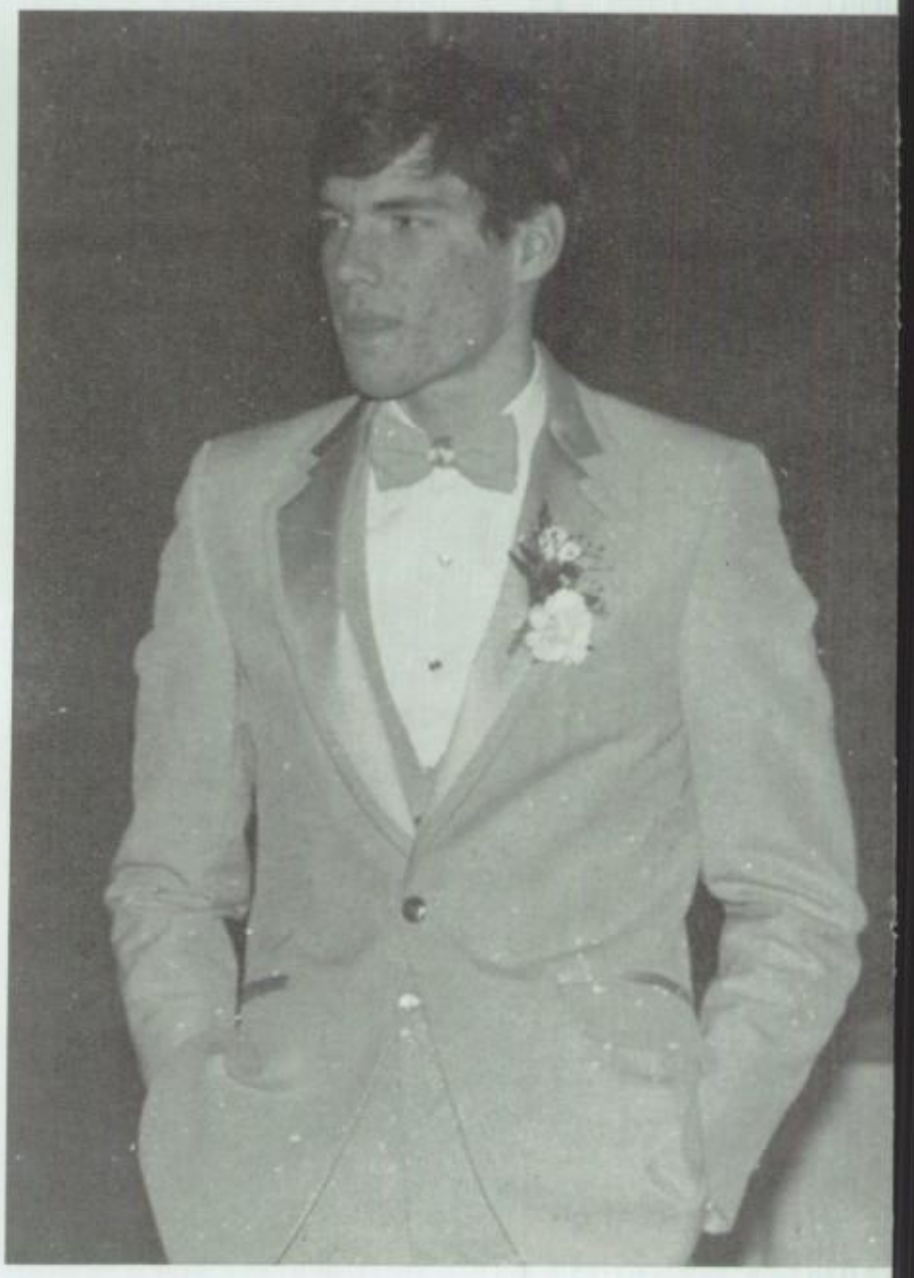
Lower right: Don't just stand their, do something!





Popular local bands such as the Sarcastics and Renegade as well as Memorial alumni band, Feedback, played at S.J.M dances this year. Even students got into the act with the Sponges and the Mad Rats. The Sadie Hawkins tradition was revived thanks to the Student Council and attracted many participants. The dancing itself seemed more entergetic this year as more people displayed their individual dance styles.

"T'was a night to remember."



On the night of Dec. 19th the student council sponsored the annual Christmas Formal. The theme was "T'was the Night Before Christmas," and the evening took place at the Del Webb Champagne Ball Room. The students danced to the tunes of "Renegade," and all the student councils efforts had produced a huge success. The 167 couples that attended this years formal were composed of members from all four classes, Unlike the Junior, Senior Prom, all classes are welcome.

Not only was the 1982 Christmas Formal special because it was the largest in twenty years, it was also extra special because members of the SJM Junior class who make up the band "Mad Rats" displayed their talent by entertaining the couples with their music favorites. Everyone who attended should congratulate themselves for making the formal a night to be remembered.

Rallies

To build spirit, school unity, and support our fine athletic teams, S.J.M. held several rallies this year. Organized by rally chairpeople: Andrea Comporato, Steve Carr and Matt Kay, the Varsity and J.V. cheerleading squads, pep girls, and auxiliary groups brought the students to their feet in excitement. Through cheers, some of the most imaginative skits ever seen in our gym, and crowd participation, this years rallies brought spirit and rowdiness back to our school.

Many students participated in the activities which showed a lot of school spirit. To end the week, the Homecoming Rally was held and the victorious Homecoming football game was played on Friday night.

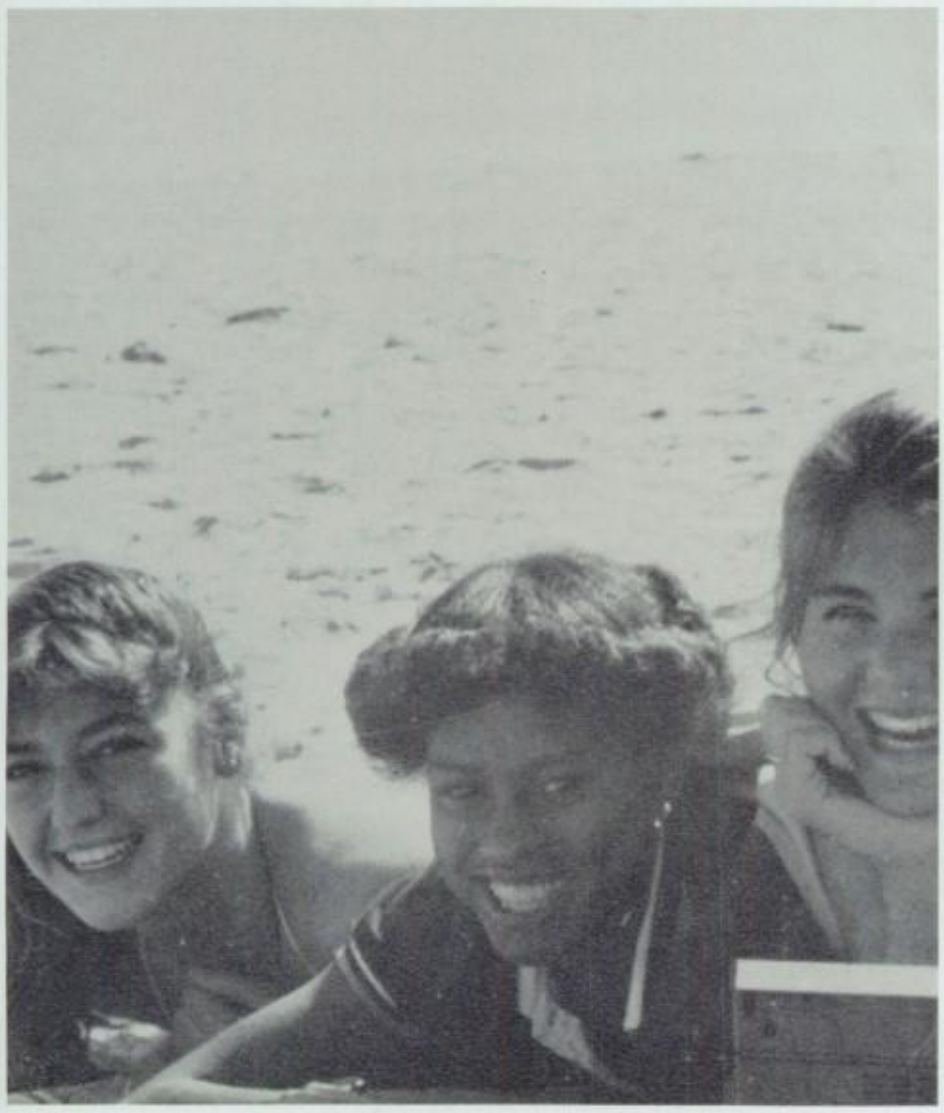
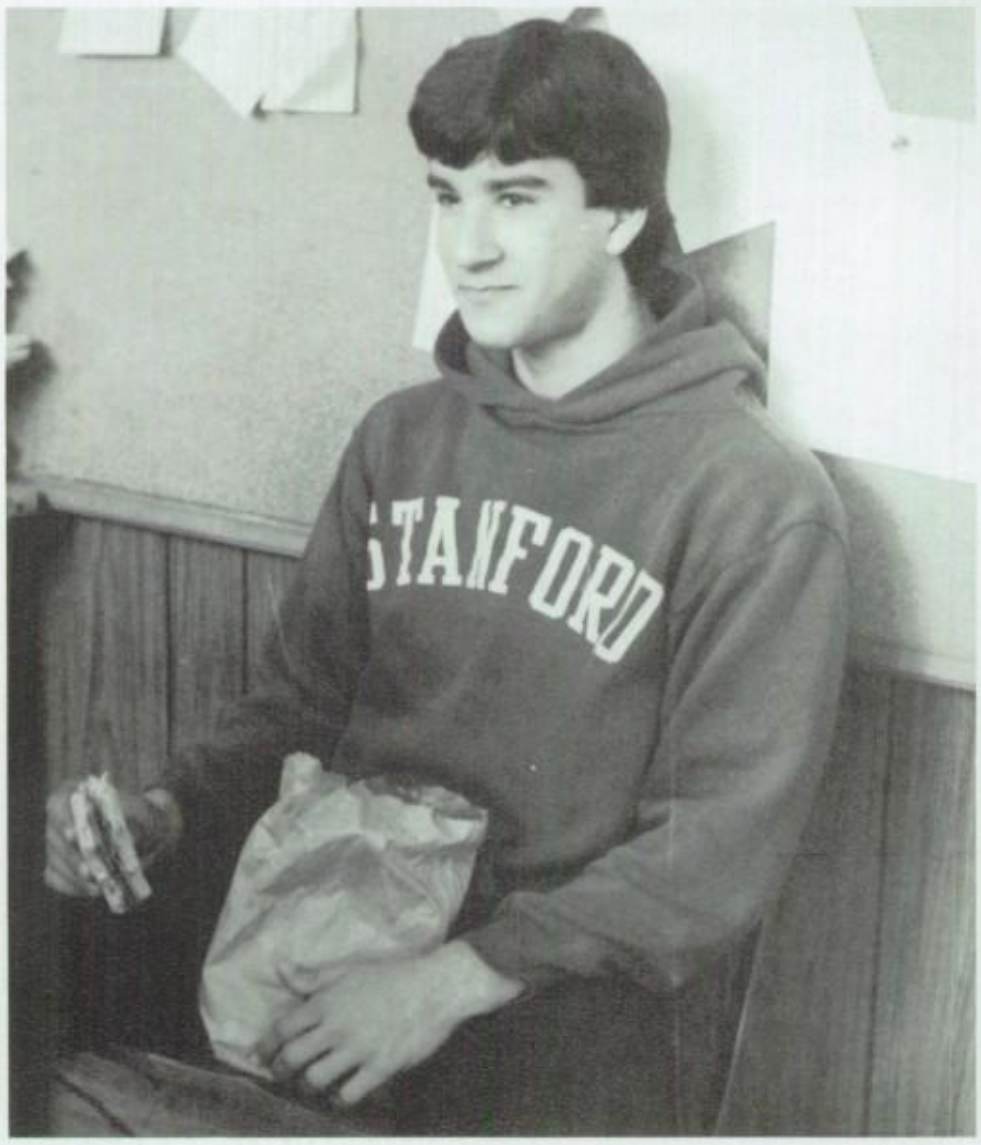
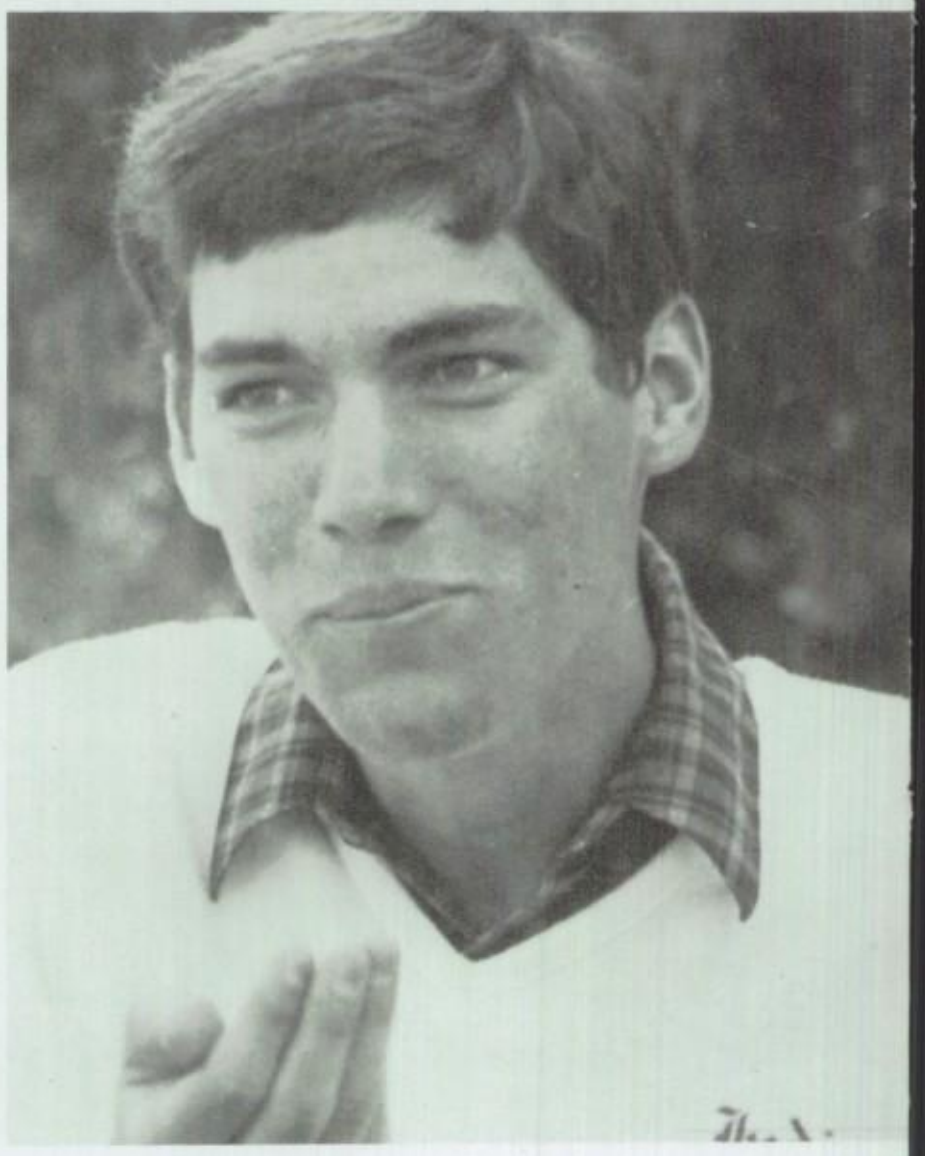
Developing high ideals in sportsmanship and promoting an interest in wholesome athletic and social activities is the goal of the Girl's Athletic Association.



Block M





This year Block M was graced with more members than the club has seen in recent years. Coach Patricks for the first year was the moderator of the club and he really produced a turnout of the Block M members. Keeping the students involved is a hard job, but Coach Patricks accomplished this. This year the Block M club-,made a large amount of money by parking cars, planned a trip to Santa Cruz for a day. As a donation to the sports department, the club if finance permitted, is going to donate to the sports department video equipment to record sporting events at SJM. Block M is concerned with keeping tradition continuing at SJM and keeping good athletes participating on the best equipped and coached team in the Valley. This year Block M truly proved this.

For the second year in a row, the 1982 Panther boys Varsity Football team represented the CSL in the Valley Play-offs. With the exception of a tie game with the Dinuba Emperors, our mighty Panthers had a flawless season with a record of 9 wins, 0 losses, and 1 tie, and easily took over the CSL crown.

In the first game of the play-offs, the Memorial Panthers faced the Dos Palos Broncos. The Panthers played well, but due to costly turnovers, they lost to the Broncos 26-7.

We would like to congratulate the boys Varsity Football team for a very impressive season.

Who's Last

It was a year of change for the music world. New bands and new sounds invaded the airwaves and pumped adrenalin into the sagging industry. However, the old outshown the new in 1982 as the last of the true Mod bands said goodbye. With the release of their latest album, "It's Hard", The Who announced their break up and launched a forty date North American tour. On December 16 in Canada, The Who performed their final concert. The concert was broadcast live via satalite to pay T.V. viewer nation wide.

Clash Now

Since 1977, The Clash have been trying to successfully break in to America. Their punk rock beginnings made them favorites in the U.K., but their politically sensitive music brought them frustration, not fame, here in the States. Their latest album, "Combat Rock", hit the top ten, bringing them recognition at last.

U.K. Romance

The newest sounds of the year were brought about by the New Romantic trend in England. This highly dancable music is typified by bands such as Human League, Duran Duran and Haircut One Hundred. Straight from the outback, Austrailian band "Men at Work rose to the top with their hit singles "Down Under", and "Who Can It Be Now".

Clam Up

Around California and Fresno, musical happenings included; the US Festival, a three day concert in San Bernadino featuring bands such as The Cars, The Police, Talking Heads and Fleetwood Mac; The Who and the Clash appeared in San Fransisco, and L.A.; and The Police and Santana Played at the Cal Expo. Missings Persons, The Motels, Split Enz, Triumph, Billy Squire, and Saga brought their shows to Fresno. One of the hottest acts ever to come out of Fresno, The Clams, began recording and touring the West Coast. Fresno State now has their own radio station, 90.7, KFSR, the Progressive Alternative.

Spaced Out

The movie industry saw on of its most profitable years in 1982, and much of that success can be attributed to film maker Steven Spielberg turned out two box office smashes; E.T. the Extra Terrestrial" won hearts worldwide and taught an important lesson in friendship and the value of life. Spielberg's urban nightmare flick, "Poltergeist", dealt with restless spirits and the supernatural. Deborah Winger and Richard Gere starred as an unlikely couple in the years most popular love story, "An Officer and a Gentleman".

Notables

After ten years of production, "Gandi" was released. The epic movie told the story of the peaceful Indian leader, and raked it in at the Golden Globe Awards. "Tootsie", with Dustin Hoffman and Jessica Lange and "Kiss Me Goodbye", with Sally Fields and James Caan came across as two of the years funniest movies. Other popular flicks included "48 Hours" with Richard Pryor, "Fast Times at Ridgemont High and "The World According to Garp".

M*A*S*H*

Things were relatively quiet on the tube this year except for one event. After eleven years, the Korean War ended and the members of the 4077th M*A*S*H* went home. The final 2 1/2 hour episode saw Hawkeye coping with a mental breakdown, Father Mulchaey lose his hearing, and Klinger marry a Korean girl. It is highly unlikely that this hole left in the Monday night format will be filled by such a quality show. The most expensive event in television history, "The Winds of War", was presented in February on NBC. The epic story delt with the lives of one family during the outbreak of WWII.

Over the four years that I have participated in yearbook, I have seen certain individuals really stand out in helping us complete the yearbook. These people went out of there way, worked long hours and put a lot of time, effort and confidence in the yearbook staff. These people are one of a kind.

I would like to thank Henry Gutierrez for printing pictures at the minute and putting up with us. You gave us creative ideas and a touch of humor to our class. Thanks Henry.

To our moderatore who had to train a whole new crew this year, you guided us through the tough parts of putting a yearbook together, "Deadlines"! You sacrificed large amounts of your personal time to get the yearbook completed. You brought the yearbook out of debt and helped make it an award winning book. Thanks Miss Gutierrez. To the man who promised us candy if we met our deadlines and you helped us when we needed help. Thank you Tom Larson.

I also want to thank Ficarra Studios for doing an excellent job with all the color photographs this year.

There are so many others that participated and worked hard this year that it would take another book to mention them all. To the photographers and all others who worked on this yearbook, thanks, you did a really good job.

I'm glad that I had the privilege of working with such a great, hard working staff. You have been the best and quietest staff that I have ever worked with. The student body owes you a debt of thanks for making the Spirit of '83 an excellent book.

Editor,

Mark L. Forsber

I can't believe these are the last words I'll be writing for this yearbook. I want to stop and ands say "Wait! I want to change something - I need to add something." But no, this is it, and I'd like to take this chance to thank some very special people.

First of all, thank you, Mark Foraker.. You put up with all my zany ideas and gave me the strength I needed. Thanks to Donna Cardell, just for being my friend in Publications these past three years. A big thank you to Miss Gutierrez; you believed in me even when I didn't. To the Spirit of '83 staff, take a bow and give yourselves a hand - you deserve it.

I'd like to thank Mr. Ficarra for the outstanding color pictures. A special thanks to Henry Gutierrez and the members of the Photo Club. Last, but certainly not least, I'd like to thank the class of 1983 for being my constant inspiration. Good luck, and God bless you all.

Editor,
Elisabeth Breen

Sporting Events

In the beginning it was as though we would never make it because it seemed so far away, but reflecting back we see how fast those years flew by. The joys the excitement the laughter and the tears; some happy moments some sad. All this helped us grow together and realize how precious our high school years have been.

Remembering our first year as Freshmen, so scared of those big bad Seniors and eager to be part of Memorial life. Initiation was the beginning, we were now part of it! The football games, the cheering, our first big dance, "Freshman Welcome," and all the celebrations. TOC was the best, we won the valleys and were on our way to state.

Our first retreat as Sophomores was the beginning of "forever friends." Junior year brought new challenges for the future. Topsiders, button-downs, and Vuarnets were the fads. "Take off you Hoser" still stands. Now waiting four classes instead of three for lunch and finally being able to park our cars on campus made us realize we were now on our way to the top. The excitement of our first prom, ditching school to ran early and ski the slopes along with the parties made our Junior year extra special. The end drew near, "Oh, that dreaded Chemistry final!" but all the studying was forgotten when we rushed to the luau realizing that now we were those big bad Seniors that scared us so.

"We're bad!"

We welcomed our Freshmen with embarrassment and fun and guarded our Senior Lawn. Football was "awesome" along with the Varsity girls basketball team; we were the champs!

Our first Sadie Hawkins at Memorial proved a big success and the formal was even better. We rushed to off campus, "Taco Bell", "Straw Hat", and "Carl's", Believe it or not we survived the indigestion (Gag me with a spoon!)

Rushing to get our applications in for college made us restless in our classes. Colored hair and veging out with M-TV, along with going to the "Who" concert made Senioritis (which hit early) bearable.

Topsiders are still around along with the button-down.

Reluctantly, we realize it is time to move on and let the knowledge earned and hardworked learned pay off. It reminds us of those scared feelings we shared upon entering high school because although this is an ending, it is also a beginning! Yes, our time at Memorial has all run out and we are sad, but we are also having fun and feeling free, we are the Class of '83!

STEWART

DEAR STEWIE,

It is amazing that I never even saw you during the first two yrs. here. Well, I'm glad I met ~~you~~ and got to know a bit more. You are a "super-talented young man. Sorry, if this sounds a little "corny" but it's true. To tell you the truth, I'm, in a way, jealous of your talents. Well, I must admit the year has been fun — & Confirmation at school Oh! You didn't bug me "too" much. Sometimes I feel I'm a pain, but some people don't tell me when I am. I can't wait for next year — we'll be SENIORS! YEA! I have a feeling everything will be rush, ~~rush~~ ~~rush~~ rush, rush, with colleges & all. It ought to be fun though. I'm running out of things to say. So I'll say good-bye. Hope your ~~summ~~ summer # is terrific and rewarding. Maybe I'll see you ~~around~~ around like at the Liturgical Meetings. By the way, Anthony really wants us two in there.
Good luck in the future.

Love,
your friend,
Victoria

Stewart,

Let's see, where shall I start? It's hard to say everything that I want, need, to say in just mere words. Now don't go getting any ideas, it's just that you've been such an important addition in my life this year. I know I've never told you all this before, but just being around you inspires and encourages me. This year I have drastically changed - mainly emotionally and personality-wise. I've had a really hard time just learning to cope with myself and talking to you, when I'm really down, gives me encouragement. You are one of the sweetest, thought-ful, honest people I've ever met or ever will meet. Although you are rather vindictive and emotional, you're still very sensitive, which I think is what makes you the way you are. I'm trying not to make all this sound hollow, but it's hard to write. I've found that I can tell you things that I've never told anyone, although sometimes I am rather reserved because at times you can be a beabbermouth (but, then again who isn't?). Thank God I've been an object of any of your vendettas; I've seen to that! I don't why, but I've never been angry w/you - even when you called my mother. I think I like you too much to ever hate you. Thats why its easy for me to stick up for you - anyway, I enjoy doing it. I just hope that you feel somewhat the same way about me.

Love,

Helen xo

Stewie babe....
I am so glad that we had religion together this year. I can't believe that we laughed so much. There are so many things for us to remember. The bag, and Duane playing with my shoes. I may be the only one of you surely continued to the cause. I have lost count of all the things we laughed at. I'm so glad that we have civics together next year; it should be a lot of fun. You are so sweet, so please stay that way. Have a great summer, sugar, and be sure to keep in touch. * 439-5960

Take care, God bless
Leslie

Edward—
I know I only met you earlier this year but I feel that through passing all those crazy history tests in Mr. Engel's class we have at least come to speak to each other on other subjects also. I hope you have a great year next year—

Stewart,

Wasn't Am. Lit fun this year? I thought that it was okay. It was fun sitting next to you the last part of the year. Too bad you got stuck sitting next to me though! I hope your year was a good year. Have a fun summer!

Love always,

Julii Hinojosa

Dearest Stewart,

How do I begin? Pretty fun I guess. I've had a very talented French class this year, it was cool to have you in it. Yeah, it was nice, wasn't it? And this year has been a nice one (as in a program. You're a person and deserve a hug. Have a fun summer with your family and hope you have a good year.

Yours,

Nancy Montagne

My my, how this year has gone by rapidly, but not a day too soon, right? I'm truly disappointed that we didn't get any classes together. Yet we were still able to maintain our friendship (which I do prize) You are a "unique" individual. Your personality has always stood apart from the others & for me, that's why you're special. You'll always remind of a 30 yr. old man in 16 (17) year old's body. I hope that our friendship will blossom over the year. How couldn't it? (We basically have the same likes & dislikes, don't we) Take good care of yourself over the summer & have a ball.

Love always,
Cathy A.

Stewart, you are truly a genius (but I'm sure not)! Some-
day, I'm sure, you will have your own soap opera
or prime time T.V. and you'd better remember
me then, too, even though I KNOW I'll be starring
in it too. Well, anyway, I'm glad we got to know
each other better in speech and I'm looking
forward to doing more things with you next
year in our Clubs. Keep in touch over the
summer and if you have an opening in your
show or you just want to get together call
me, okay? Love,

Crissy (435-2698)

Stewart,

Can you believe the year is already over? It was fun going to highschool with my brother - excluding some of your friends. Hope we have a great summer. Good luck on your French Final.

Love ya
